Electric vehicle battery coverage provided by:

This brochure is not a contract. Be sure to read a contract for coverage information, including limitations, exclusions and terms and conditions. Certain conditions and components are excluded, such as inadequate maintenance of the vehicle, corrosion, and parts designed for limited life such as bulbs, filters and brake pads. See the exclusion section of the service contract for complete details.

Fully Charged
Electric & Hybrid VSCs

YOUR VEHICLE'S TECHNOLOGY IS EVOLVING RAPIDLY...
SO SHOULD YOUR COVERAGE.

AS TECHNOLOGY RAPIDLY EVOLVES, OUR PLANS COVER YOUR VEHICLE'S ADVANCED TECHNOLOGIES

COVERAGE OVERVIEW:

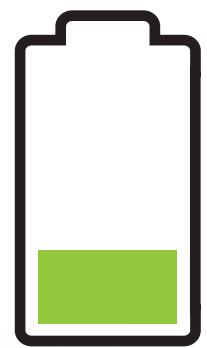

Many VSCs only include EV & Hybrid coverage as an afterthought with a gas powered plans. We built Fully Charged exclusively for EV & Hybrid vehicles to ensure the highest levels of protection on the components that really matter most for EVs & Hybrids. Fully Charged is an exclusionary plan which covers all components and systems with the exception of a small list of exclusions included in the contract details.

WE ELIMINATED
100+
SYSTEMS FROM
GAS POWERED
VEHICLES

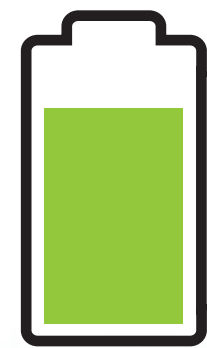

WE INCLUDED
40+
NEW SYSTEMS
EXCLUSIVE TO
EVs & HYBRIDS

BATTERY COVERAGE COMPARISON:

Not all VSCs cover the primary battery equally. Fully Charged has the highest levels of battery coverage in the industry today. This reduces the chances of your repair exceeding the value of your coverage and helps prevent out of pocket expenses.

OTHER VSC COVERAGE

FULLY CHARGED COVERAGE

RECYCLING EV BATTERIES:

We partnered with Cirba to create a nationwide EV battery recycling program that is critical to our sustainability efforts and exceeds all EPA standards and policies.

Fully ReCharged
Recycling Program

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

Cirba Solutions
Battery Management & Materials

ADDITIONAL BENEFITS:

Every Fully Charged plan includes additional benefits to help you beyond repairing the vehicle. Whether you are stranded on the side of the road, or need to get around while your vehicle is in the shop, We are here for you.

Questx

We partnered with Questx to provide mobile charging services if your vehicle battery dies on the side of the road.

Roadside Assistance

Specialized EV Towing

Rental Benefits

ADDITIONAL COVERAGE:

While our exclusionary coverage is the most comprehensive in the industry, it does not cover every item in your EV or Hybrid. Here are several additional and optional coverage options.

Technology Group

Seals & Gaskets

OPTIONAL COVERAGE:

Brake Pads/Shoes

Wiper Blades

Lights
